

Your Seventh Tradition Contribution Helps Carry the Message to our Online Groups

District 14 provides the essential two-way communication link between GSRs representing online groups and Area 12 (Delaware). Through the District Committee Member (DCM), the online groups' collective conscience is communicated to the Area. This helps to ensure your online group has a voice in the General Service Structure.

District 14 is fully supported by the voluntary Seventh Tradition contributions of the groups it serves.

Please consider adding District 14 to your group or individual contributions.
