

REPORT FROM PANEL 70 AREA 12 DELEGATE - JANUARY 11, 2020

Dear fellow trusted servants,

As your Panel 70 Delegate to the General Service Conference, I have been assigned to the Conference Corrections Committee; I'm looking forward to serving.

UPCOMING REGIONAL EVENTS: I have registered for NERAASA (the Northeast Regional AA Service Assembly) and NERD (Northeast Regional Delegates Reunion), and would encourage all who plan to attend NERAASA to check the box regarding sharing on a panel or even filling in as a timekeeper (that would be fun to gong the long winded ones, eh?). It's a great way to get involved in the 3rd legacy even more. If any of you who have registered for NERAASA, but didn't check a box to participate in the program, not to worry, send me your name and I'll forward it to the program chair for consideration. You can send your info to me at p70delegate@delawareaa.org.

GETTING READY FOR THE CONFERENCE: I'll be reviewing the agenda items that have been listed as possible items for discussion at our spring pre-conference assembly (*save the date: April 4, 2020 – location to be determined*). Sally T (Area 12's Alternate Delegate) and I will be discussing the agenda items as they become formalized after the January General Service board meeting at GSO.

ADDITIONAL NOTES:

- I have been asked by District 5 to attend their January meeting and discuss the 1st tradition and I'm looking forward to that;
- I also attended the January meeting of the Southern Delaware Intergroup;
- If you haven't already heard, the Big Book (Alcoholics Anonymous) has been translated into modern American Sign Language and is available from GSO. Along with the Big Book, the 12 Steps and 12 Traditions translations have also been completed.
- District 13 has a DCM! This is great news – welcome Peggy!
- *And of significance:* The transition from old to new group numbers is still on hold with the transition of the computer systems and programs at GSO; this transition will be probably last until March of this year. For your peace of mind, our outgoing and incoming registrars will be notified when the online registration of groups will be available again. Also, and in the same vein as the registration systems, the online contribution process is being updated. The information from GSO is on our website delawareaa.org under the GSR banner.

Submitted in love and service,

Terry H.
