

The 69th General Service Conference ended on Saturday 25, 2019. I am now back home from the Conference. It was a very busy week for all! A lot of hard work on the part of the 135 Delegates, GSO Staff, Trustee's, and all of the people who work hard to make it all happen! We have a new elected Northeast Regional Trustee, Francis G. , from Eastern Massachusetts; he has rotated in replacing Rich P. who rotated out after serving for 4 years as our Northeast Regional Trustee.

All 13 Committee's worked hard on their agenda items, reports , and recommendations for voting to become floor actions. More to come on those that have become floor actions.

In the next few weeks I will have a brief preliminary report back ready to distribute to the Area 12 Officers, and DCM's.

David C., Panel 68 Delegate, Area 12 Delaware
