

District 1 In July I called an online district meeting with one GSR attending with a phone call from the treasurer I was told that no one wants to be the DCM and they wanted my opinion on them joining district 2. There are 19 groups, 11 with unknown status and 8 still in active status but all are still meeting. There is a treasurer who is still making distributions as agreed upon previously. I was asked to conduct a meeting person at the Lewes Library that this with the treasurer and one GSR spreading the word.

District 8 has 10 groups, 2 active and 8 unknown but all of their records were last updated within the last year or so. No groups have a GSR on record however 2 have a group contact listed.

District 9 has 3 groups, one with an elected GSR & 2 with permanent group contacts.

District 10 has one group that is active with a group contact and they elect to now have a GSR.

District 15 I invited all 16 group contact to a district online meeting. These groups, formerly were in district 46 in Area 29. These groups have been inactive for many years & DCM was able to register a contact or GSR for All of them. When they moved to area 12 all of them were in active status but according to our records, 3 have become “unknown” status as their GSR term expired without a new GSR identification. I spoke several times with Lori M who is the Delegate for Area 29 and she has expressed a desire to have these groups ushered back into area 29.

These Groups are located in Chestertown, Galena Kennedyville, Massy, Rock Hall and Still Pond Maryland.

13 active groups – participate in Maryland Intergroup activities.

5 have a GSR of Record that will be expiring soon

8 have a permanent Contact associated with the group.

3 unknown status groups due to expiration of GSR 2 year replacement,

I have been sending assembly invitations via email to each of the 16 groups and recently invited them to a District 15 zoom session. No one attended and I have one response from my emails. I believe since joining area 12 the Shrewsbury group has contributed to Area 12 at least twice.

Day before yesterday I received a letter from the Shrewsbury group in which I am Bcc'd . This letter was sent to the General Service Board in protest of the 76th GSC actions indicating that they will no longer be sending funds to GSO, at least in the foreseeable future. They did add that they will support Area 12.
